Product description:

This CL570VGC beverage display refrigerator combines technology, innovation, and design.

It is available in white and features a ventilated refrigeration system.

It has an internal capacity of 360 liters and a structure made of anti-corrosion pre-painted sheet metal, an ABS interior, a glass door with a side-recessed handle and automatic closing.

The temperature is electronically regulated with a digital thermometer.

It has internal illumination with two vertical LED lights.
