Product description:

An extraordinary solution for managing up to 8 dispensing points.

Made entirely of stainless steel with a 5/8" thread, this TOWER stands out for its unique and imposing design, inspired by a bridge that recalls the robustness and grandeur of great architectural works.

In addition to functionality, the Millennium Bridge is also a source of pride for the venue, capturing attention and leaving a lasting impression on customers.

With the Millennium Bridge TOWER, you can offer an extraordinary pouring experience and convey a sense of prestige and reliability.
