Product description:

Our complete 5-way kit with Valencia tower, Artico 50 vertical pre-mix undercounter, and all accessories is the ideal composition for all professionals.

With this kit, you will have everything you need for a quick and easy installation.

Save's Made in Italy design makes it extremely elegant, functional, and ideal for all professional environments, as well as being "Green": thanks to its low energy consumption and use of eco-friendly R290 gas, it is the ultimate system kit.

Its capacity to dispense 130lt/h and its continuous and immediate cooling technology allow you to dispense and enjoy your beverages quickly.
