Product description:

Unique experience of sharing and friendship: this is the perfect system to share drinks in a engaging way.

This innovative system allows your customers to pour their own drinks directly from the table, creating an interactive and immersive moment.

Strategically position the column and let your guests enjoy the experience of serving their own beverages.

Conviviality blends with autonomy as friends gather to toast and enjoy together.

The Quadro dell'Amicizia Column Kit promotes moments of joy and connection, transforming every gathering into a special memory.

Create a unique atmosphere and cherish the company with this astonishing pouring system.
