Product description:

Seked for those who desire a minimalist and compact design.

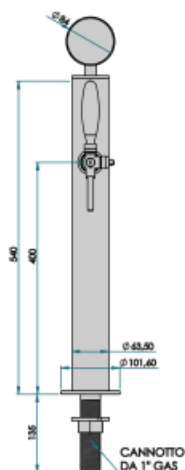

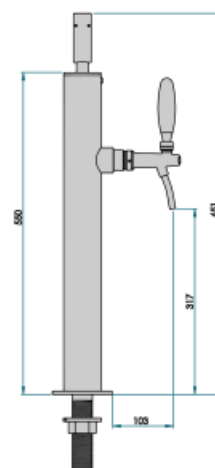

With its slim and low structure, this TOWER offers the same features as the Slim, but with a reduced footprint.

Made entirely of stainless steel with a 5/8" thread, it guarantees reliability and resistance to corrosion.

Its elegant simplicity perfectly fits in limited spaces, maintaining a modern atmosphere.

Moreover, it's equipped with luminous medallions that enhance visibility and contribute to making the environment more captivating.

With the Slim Flat TOWER, you can offer a unique pouring experience, combining style and functionality in a single elegant solution.
