### Product description:

An elegant solution for beverage dispensing with refined and functional design.

Its slim and cylindrical structure, made entirely of stainless steel with a 5/8" thread, ensures reliability and durability.

This TOWER is the ideal solution to optimize spaces and create a modern atmosphere in the venue.

Its uniqueness and simplicity make it perfect for any place where elegance and practicality blend harmoniously.

Moreover, it's equipped with luminous medallions that enhance visibility and contribute to making the environment more captivating.

With the Slim TOWER, you can offer customers a unique and memorable pouring experience.
