Product description:

Refined choice for those seeking a minimalist and compact design.

With its slim and low structure, this TOWER offers the same features as the Slim model but with reduced dimensions.

Made of resistant stainless steel with a 5/8" thread, it guarantees reliability and corrosion resistance.

Its elegant simplicity fits perfectly into limited spaces while maintaining a modern atmosphere.

With the Slim Flat TOWER, you can offer a unique pouring experience, combining style and functionality in one elegant solution.
