Product description:

A true visual attraction with its striking and unique structure.

This Marmitta TOWER, available with up to 3 dispensing points and a 5/8" stainless steel thread, will capture the attention of everyone in the venue.

Inspired by the shapes of an automotive exhaust pipe, it's an extraordinary addition for motor enthusiasts and those who appreciate original design.

In addition to its captivating aesthetics, the Marmitta Dritta TOWER is built to guarantee high-quality and reliable dispensing performance, while adding a touch of charm and character to the environment.
